K Vintners: Washington's Top Winery?

"Over the past two years a cult following has sprung up around the persona of Charles Smith, imbuing him with larger than life attributes. By and large, he has acquired this status the old-fashioned way, he has earned it. Once past the persona, however, Charles continues to make some of Washington's finest wines. Charles knows where to find the great grapes. In a region where blending is still the rule of thumb, he is the ultimate terroirist." — **Robert Parker's The Wine Advocate, #190 September 2010**

Aside from being something of a legend, K Vintners founder Charles Smith is also one of the most gifted winemakers in the country. We're lucky to score a small allocation of his new K Vintners 2009 releases. He's been called artistic, subversive, irreverent, opinionated, brash, and sometimes rude, but still always manages to score big from the *Wine Spectator* and Robert Parker alike, who calls him an "an innovator, brilliant winemaker, as serious as a heart attack." The '09's have yet to be reviewed, but all of these wines rated between 93 to 99 points last year. As one of our customers of domestic Rhone wines, you are being provided first crack at this line-up.
