## 2010 "Y" d'Yquem Pre-Arrival at Best Price in U.S.

Yquem is widely acknowledged as the greatest sweet wine producer on the planet. However, many are unaware that the winery also sometimes produces a dry white called "Y" (pronounced EE-grec in French). A blend of Semillon and Sauvignon Blanc, the grapes come from the same vineyards used in d'Yquem's famous sweet wine. 2010 marks just the 26th time ever in their long history that "Y" has been produced.

Not only is "Y" among the greatest dry white wines in France when it is young, but it also has outstanding aging potential, gradually developing a multi-faceted elegance. Though this wine has not yet been rated, 2010 is widely considered one of the best white wine vintages in Bordeaux in recent memory, so expectations are that this will be among the greatest Ygrecs of all time.

Because we were able to buy this direct prior to release, we can offer it at a spectacular pre-arrival price. For perspective, the last great vintage for "Y" was 2005, and the lowest price in the country on that wine is now \$289/bottle!

Quantities are limited, so first come, first served.

**2010 "Y" d'Yquem \$149.95** (pre-arrival; eta 3 months)

Cheers,

**Woodland Hills Wine Co.**
