## Great Savings on a Classic German and the Perfect Thanksgiving Wine

Founded in 1904, Schloss Lieser at one time produced some of the most distinctive wines in the Mosel. Its wines were highly esteemed worldwide. But, sadly, the property suffered a down spell during the seventies. After numerous changes in ownership, in 1992 Thomas Haag (son of Wilhelm Haag, proprietor at stalwart Mosel Riesling producer Fritz Haag) was hired to manage and rebuild this venerable estate. With his many years of experience at Fritz Haag, he was able to restore the estate to its former position as one of the most renowned estates on the Mosel. Great care is taken in selection during harvest to achieve wines that exhibit classic Mosel Riesling typicity: ripe acid structure, vibrant palate and purity of fruit, matched with quintessential, unadulterated expression of the stony slate *terroirs*.

Thanks to our strong relationship with the importer, we just scored this back vintage parcel of single vineyard Riesling Spätlese at a stunning price. Not only is this wine a treasure to put away in your cellar, but it is also the ideal pairing with roast turkey with stuffing, potatoes and cranberry sauce. *We are the lowest price in the country by far*, so we encourage you to act fast. Only 200 cases imported.

91 Points Wine Spectator: "This is smoky, but also packed with tangerine, slate and papaya aromas and flavors. It's delicate, with plenty of intensity, excellent balance and a lingering saline aftertaste. Drink now through 2032." –BS
