Ruston Family Single Vineyard Cab – Over 40% OFF

"These are all well-made, elegant wines that remain somewhat under consumers' radar, but they are noteworthy for their complexity as well as singular styles." – Robert Parker

Over the course of the last few years, our most successful Cabernet offers have come from John Ruston. The deals we made with him were so successful that we've sold more Ruston wine during this timeframe than all but two other Cabernet producers in our entire store (Silver Oak and Waterstone). That's quite a feat when you consider their limited production and the fact that few of you had even heard of Ruston Family Vineyards prior to us promoting them. It just speaks to how great these wines are at these special prices.

We're now pleased to present our latest Ruston offering, this time on the terrific 2008 Alexander Valley Cabernet Lost Acre Vineyard. Planted exclusively to Cabernet Sauvignon, the Lost Acre Vineyard is ideally suited to this Bordeaux varietal by way of its warm growing season and well-drained soils. This wine normally sells for \$35, but through this special offer we're selling it at more than 40% off, making this not just the best under-\$20 Cabernet in the store, but perhaps the entire market.

The wine is in stock now and ready for pickup or shipping. Only 364 cases produced. Another WHWC exclusive.

2008 Ruston Cabernet Sauvignon Alexander Valley Lost Acre Vineyard \$24.95 (list \$35)
\$19.95 with purchase of 4 bottles or more (use promo code: RUSTONCS08)

This 100% Cabernet Sauvignon comes from the Lost Acre Vineyard northeast of Healdsburg in the Alexander Valley. The vines here are planted in close-spaced Bordeaux style, and the vineyard produces wines that recall the great northern California Cabernets of the 1960's and 1970's. If you are looking for some of the hallmarks of extreme versions of modern Napa Cabernet – ultra-ripe, over oaky, chocolate and raisiny flavors, etc. – you won't find them here. This is a medium bodied, elegant, beautifully balanced wine that is a showcase for the taste of pure Cabernet Sauvignon. It is very silky and drinkable now, a wine that makes you reach for another glass.

Cheers,

Woodland Hills Wine Co.
